

25TH ANNIVERSARY CELEBRATION

On 26th September 2025, we joyfully celebrated our 25th Anniversary. The event featured inspiring children's performances, heartfelt speeches, and fundraising towards the Legacy Project; the Girls' Dormitory and Centre for Battered Women. We sincerely thank all who attended and supported this memorable milestone.

In addition, one of our valued partners, Ododuona Foundation, extended generosity to the wider community by donating to 30 widows during the anniversary celebration. They received hampers and cash donations.

We extend our heartfelt thanks to all our partners, friends and donors who supported and attended our anniversary celebration. Your generosity and presence made the occasion truly memorable. God bless you richly.
