 The Potters Village

We are grateful to our Donors, Partners and Friends for your love. Your generosity continues to create opportunities for children, women and families to thrive. We are pleased to share some of the highlights from September with you.

EDUCATION

This month marked the reopening of schools and a new academic year. We were delighted to see our children return to their various schools. All our Senior High School students and some of our university students resumed school, including 11 new Senior High School students and 2 new tertiary students.

We are also grateful to Ubongo International for selecting The Potter's Village (POVI) to participate in a pilot programme for a new learning initiative. We appreciate the opportunity to contribute to new and innovative learning experiences.

As our Community Support Programme continues to grow, so has the number of children using our school facility. We are therefore grateful to all who supported the expansion of our school space, which has enabled us to add another floor and provide more spacious and suitable classrooms for our children and the needy children from the surrounding community.

Our Guidance and Counselling Session for the month focused on 'Decency', helping the children understand the personal presentation, respect for themselves and others and making choices that reflect good values.

HEALTH

All our children are healthy.

We were grateful to RIMS Eye Care and Vision Centre for organising an eye screening exercise for our children and staff. The team also provided medication and eyeglasses for those who needed them. We deeply appreciate their kindness.

Three of our children also attended their routine hospital appointments during the month: two attended their Child Welfare Clinic appointments and one attended her regular sickle cell clinic for monitoring and medication.

Three children required hospital admission during the month and received the necessary medical care and attention. A few complained of common colds and were also treated promptly.

STAFFING

We welcomed one intern to the team during the month. We appreciate her contributions to the team while we also provide an opportunity for practical learning and professional development.

Our teachers also participated in an internal training session focused on strengthening their skills and enhancing their effectiveness in the classroom.

We appreciate the commitment of our staff to continuous learning and improvement.

COMMUNITY SUPPORT PROGRAMME

Through our Community Support Programme, we extended educational aid to underprivileged children within our operational areas, ensuring they have the necessary resources to remain in school.

Children who were admitted into various Senior High Schools received support through the initiative.

We gratefully acknowledge our dedicated sponsors whose passion for community development drives this program forward.

OTHER NEWS

Our monthly Anointing and Thanksgiving Service was held as usual, to give gratitude and praise to God. We used the opportunity to celebrate the birthdays of Staff and Children born during the month.

This month, we welcomed two children referred to us by the Department of Social Welfare and Community Development. We reunified one child with their family, an important part of our commitment to ensuring that children grow with biological families (where possible).

Project 2026

The unfinished structure above, which is intended to serve as a **Girls' Dormitory and Centre for Battered Women** is the building project we are focusing on currently. When completed, it will provide a safe and supportive space for our girls who are currently sleeping in a structure meant to serve as a clinic for the home. It will also serve as a shelter for women who go through different forms of abuse.

We are grateful to all our Partners, Donors and Friends who have contributed to enable us get this far. We would also like to specially thank those who supported us to purchase the cement needed to plaster and screed inside of the building. God bless you richly.

The next and very vital phase is the fixing of doors and windows. We remain hopeful and committed as we continue this important work.

The organisation needs your support with the items in the table below:

ITEM DESCRIPTION	QUANTITY	UNIT PRICE (GH¢)	AMOUNT (GH¢)

SUPPORT OUR SHS & UNIVERSITY STUDENTS GO BACK TO SCHOOL

(11 new SHS & 5 new tertiary/university students)

Thank You

We are deeply grateful to all our generous donors who supported our University and Senior High School students with their educational needs.

Your kindness has given them the opportunity to continue their education and pursue their dreams.

Thank you for investing in their future.

May God richly bless you for your generosity.

Thank You

We want to express our sincere gratitude to our **Partners, Donors** and **Friends** who support the POVI home and those on our Community Support Programme.

Thank you for being part of the journey and for helping us create safer, brighter and more hopeful futures for children, women and families.

Thank you for standing with The Potter's Village.

'**God is fair**, and **He will remember** all the work you have done. **He will remember** that you **showed your love** to Him by **helping his people** and that you **continue to help** them.'
